Host Site: Conserving Carolina

Supervisor Name: Max Howes
Supervisor Title: Trails and Land Management Coordinator
Supervisor E-mail: max@conservingcarolina.org

Physical Address: 847 Case St. Hendersonville, NC 28792
Mailing Address (if different): [Click here to enter text.](#)

Phone: 8286975777 ext 221
Fax: 828-697-2602
Website: conservingcarolina.org

Host Site Mission Statement:

Conserving Carolina is dedicated to protecting and stewarding land and water resources vital to our natural heritage and quality of life and to fostering appreciation and understanding of the natural world.

Summary of Position:

Conserving Carolina Trails Associate will assist in the advancement and promotion of public outdoor recreation trails on land conserved and/or managed by CC or its partners. Member will construct and steward publicly-accessible trails in CC's service region in coordination with staff, volunteers, project partners, and landowners. Member will also promote public trails and conserved lands through recreation outreach programs, including leading guided hikes and management of self-guided hiking programs.

Qualifications – Knowledge, Skills, and Abilities:

- Love and passion for western North Carolina's mountains
- Love and passion for promoting outdoor recreation to facilitate appreciation of natural resource protection
- Knowledge of sustainable trail design and layout required
- Knowledge of sustainable trail construction practices required
- Experience leading trail crews and/or volunteers on trail projects required
- Knowledge of Microsoft Office required
- Ability to train and work with trail volunteers of diverse background and knowledge required
- Chainsaw certification preferred
- Technical skills including chainsaw use & maintenance, grip hoist operation, stone/rock stair construction, wood carpentry, and working knowledge of trail building tools preferred
- Excellent writing and communication skills preferred

- Ability to hike long distances off-trail required; comfort working in the outdoors in varying and sometimes tumultuous weather conditions
- Working knowledge of ArcGIS10 & handheld GPS preferred
- Eligible applicants must be at least 18 years of age, be a citizen, national, or lawful permanent resident alien of the United States, and consent to a criminal history check.

Preferred Service Hours / Weekly Schedule:

M-F 9a-5p, some weekends required (~1 per month)

Position Responsibilities and Duties:

CONSERVATION EDUCATION

Description of Member Service Activities: Plan, coordinate, and lead group hikes, outings, and/or trails trainings for volunteers, students, partnership organizations, or members of the public on Conserving Carolina-conserved lands. Duties includes development of knowledge of local landscape & hike/outing destinations and routes, logistics planning, risk and safety management of participants, public speaking and presenting, group management, fostering positive participant experience, incorporation of conservation and environmental education components, participant advance and follow-up communication & tracking

Percentage of Time: 10%

AT-RISK ECOSYSTEM IMPACTS & TRAILS

Description of Member Service Activities: Construct new sustainable outdoor recreation trails on publicly-accessible CC-conserved lands Maintain and steward existing outdoor recreation trails on publicly-accessible CC-conserved lands Assist staff in planning public hiking and biking trails, including trail design & layout Monitor, inventory, assess, and document trail conditions and risks and prioritize maintenance needs and projects Promote trail projects and outdoor recreation opportunities on conserved lands through outreach tools including website, social media, print information campaigns, and guided hikes/programming Facilitate partnerships with project partners for trail projects Assist staff in the planning and acquisition of conservation projects that create or improve public access or trails

Percentage of Time: 65%

VOLUNTEER ENGAGEMENT

Description of Member Service Activities: Recruit, train, lead, and coordinate volunteer crew for trail construction projects and ongoing trail maintenance Oversee, facilitate, and increase capacity for Conserving Carolina weekly volunteers Trails Crew and volunteer Adopt-A-Trail programs to support public trail projects Implement new effective volunteer management practices including volunteer tracking specific to trails work, Adopt-A-Trails training workshops, and volunteer trail workdays
