Conserving Carolina is dedicated to protecting and stewarding land and water resources vital to our natural heritage and quality of life by fostering community relationships and appreciation of the natural world.

Conserving Carolina's AmeriCorps Project Conserve Summer of Service is a program that engages young adults between the ages of 17 and 21 in meaningful service in western North Carolina. With direction from the Summer of Service Coordinator, industry professionals, and staff, the team of 5 members will serve the community through a variety of outdoor projects including wildlife habitat restoration, trail building, stream restoration, wildfire mitigation, and more. While enhancing and maintaining natural areas, members will build confidence in their leadership ability and life skills development to help prepare them for what comes next.

Members will complete projects throughout Henderson, Haywood, Transylvania, Polk, and other adjacent counties. Transportation from the Conserving Carolina office to the service sites will be provided.

### **Service Term Commitment:**

Members must serve a minimum of 100 hours over 6 weeks from June 17, 2023 – July 26, 2023; July 31, 2023, graduation. The schedule will average 18 hours (or 3 days: generally, Monday-Wednesday) per week. Every effort will be made to set the schedule at least 2 weeks in advance however there may be some fluctuation depending on projects, partners, and weather. Some evenings and weekends may be required.

### **Benefits:**

In addition to training, members will receive a \$1,500 living stipend over 6 weeks, paid twice per month. Upon successful completion of the program, members will also receive an AmeriCorps education award of \$388.03 that can be used to pursue higher education.
